## **SUMMARY**

Results-oriented Frontend Developer with a passion for building seamless and engaging user experiences. Skilled in JavaScript, TypeScript, HTML5, CSS, React, React Native, Tailwind, and Python, with a strong foundation in modern front-end development.

---

## **PROJECTS**

### **PAY AS YOU DRIVE CLIENT & ADMIN SYSTEM (React.js | Redux | Tailwind CSS)**

- Implemented user-specified designs, enhancing user experience and increasing user engagement by 20% and integrating APIs to facilitate seamless data transfer between user and admin systems, improving service delivery and boosting customer satisfaction by 35%.

### **MOVIE DATABASE (React.js | Node.js | Express.js)**

- Designed and developed both frontend and backend, leading to a 25% improvement in application performance. Integrated APIs and databases, enhancing data reliability and reducing response times by 30%

### **POINT OF SALE SYSTEM (React | GraphQL | Nest)**

### **PROCUREMENT DEPARTMENT AND ADMIN SYSTEM (React | GraphQL | Nest)**

---

## **WORK EXPERIENCE**

### **IT TECHNICIAN | DISPATCH CONTROLLER | ENGINEERS AND PLANNERS**

**(NSS) (October 2024)**

- Developed a robust scalable system to transition their Procurement and Human Resource from paper based manual processes to an automated digital system.
- Co-ordinating and optimization of movement of mining equipment and personnel to ensure efficient operations.

### **BACKEND DEVELOPER INTERN | ZORMOR (May 2024 – August 2024)**

- Developed robust and scalable backend solutions using NestJS, enhancing system reliability by 40% and implemented optimized GraphQL endpoints, improving data retrieval speed by 35%.

### **FRONTEND DEVELOPER | CHIWARA SOLUTIONS (May 2023 – July 2024)**

- Developed, tested, and maintained web applications using React.js, HTML, CSS, and JavaScript by Implementing responsive design principles to ensure optimal rendering across various devices. Integrated APIs, improving application functionality and achieving 40% faster data retrieval with enhanced system efficiency.

### **FRONTEND DEVELOPER(CONTRACT) | UNISALAD (July 2023 – November 2023)**

- Implemented UI/UX designs based on user specifications, enhancing overall user experience and satisfaction by developing reusable UI components using React Native, improving development efficiency by 30% and ensuring consistency across the application. Integrated APIs seamlessly, enhancing application performance and reliability.

---

## **EDUCATION**

### **BSc, Information Technology**

Ghana Communication Technology University (2021 – 2024)

### **A-LEVELS**

Havering Sixth Form College (2012 - 2014)

### **Coding Mentorship Program**

Turntabl Software Engineering (July – December 2021)
